- Suggested amendment
 - A new wording in bolded italics

The ERC has the right to co-opt up to two resource persons and/or movement representatives (no vote). Co-opted members may be from a country where there are no affiliated or associated movements (see Appendix). ***The ERC can define the role that the Co-Opted member will take, except Chair, Vice Chair, Treasurer and Exco members.***
 - Author: Europe Regional Committee
 - Rationale: The ERC has had a positive experience working with Co-opted members representing contact movements, ability to assign them projects and working areas by the concrete ERC role which may be vacant would enable WSCF-E to make greater use of capacities present within ERC.
